Subject: Recommendation to hire Michael Rosso as part-time Electrical Inspector

As the Town Council may know, the Town's part-time Electrical Inspector, Al Vennari recently retired. In the interim, Michael Rosso was hired to perform electrical permit inspections while the Building, Planning and Zoning Department began the process of permanently filling that vacancy.

Following interviews with qualified candidates, the Building, Planning and Zoning Department recommends that interim Electrical Inspector Michael Rosso be hired on a permanent basis. Mr. Rosso has over 40 years of municipal inspection experience and has performed admirably as the Town's acting Electrical Inspector. Compensation is recommended to be \$30.46 per hour at 10 hours per week.
