Re: Antioch College Village Request for Extension
for Pocket Neighborhood Development
Designation

Dear Denise,

I am writing to request an extension for 12 months on the October 8, 2018 Pocket Neighborhood Development designation for the Antioch College Village Pilot development planned for East North College Street. We expect the development to be completed during this period with no substantial changes from the documents presented to the Village. Please let me know if you have any questions. Thank you.

Sincerely,

Kevin McGruder
Project Advisor
Antioch College Village
