Report of the Appropriations Committee follows:

<u>Account Number</u>	<u>Account</u>	<u>Appropriated for the FY Ending June 30, 2002</u>
0300	Public Schools	\$28,444,716

Motion by Frederick E. Dick and seconded to reduce the school budget by \$430,533. Mr. Dick stated that the meeting held by the Appropriations Committee on May 15, at which meeting the Appropriations Committee added \$430,533 to the school budget, was in violation of the open meetings law because it was held after the May 10th Budget Hearing and requested the amount of the school budget remain at the amount submitted at the Budget Hearing, \$27,525,000. Appropriations Committee Chairman Morris explained the Committee has two functions: 1. to hold a budget hearing which was held two weeks ago to present a proposed budget and to solicit questions and comments, and the Committee always meets after that to either add to or subtract from the budget. In this case, the Committee added to the budget. There are notices that were posted and minutes of meetings filed. After conferring with Town Solicitor Michael Ursillo, Mr. Klepper denied Mr. Dick's request; Mr. Klepper stated that the Appropriations Committee meeting held on May 15 was a legal meeting; the meeting was announced at the Budget Hearing, notices were posted, and the warrant for this meeting was posted seven days prior. Judith Crowe, 8 Lewis Street, asked about notice posting requirements and the size of the notice. Town Clerk Lorraine Derois answered that Appropriation Committee meeting notices are posted at least 48 hours in advance of the meeting at the Town Hall and Library on an 8½ x 11 paper. Terré Quinn-Guerrieri, 6 Wildflower Road, asked Superintendent Malafronte to explain the 200% increase in special education and how that could be decreased in the future. Mr. Malafronte said that many of the special education costs are mandated by federal law. There is no way to reduce those services in any way. However, the district over the past seven to eight years has identified a number of ways to do that, one is to develop programs within the district to avoid the necessity of having children placed out of district, and in fact, this next year the School Department is looking at developing a program at the Middle School for children who have autism. Other than that, there are not many ways to reduce that. Parents and students are entitled to have their needs met, and if they are not satisfied with the methods that we are using, they have the right to due process to challenge us in court, which in many cases also increases our legal fees, so for the most part, it is not possible to reduce any of those costs without violating federal laws. Ms. Quinn-Guerrieri asked if some of the legal fees are included in the \$200,000; Mr. Malafronte answered no. Those speaking in favor of the motion were Thomas Wheeler, 80 Prospect Street; Robert J. Schweiker, Jr., 352 Nayatt Road, and William Dwyer, 53 County Road. Those opposing Mr. Dick's motion were Patricia S. Schwartz, 44 South Meadow Lane; Joel Hellmann, 358 Nayatt Road; Jay Litman, 103 Ferry Lane; Christina B. Zavelle (not a registered voter), 25 Lantern Lane. Mr. Dick's motion was defeated (standing vote). Mr. Dick withdrew his second motion. As a result of the defeated motion, a motion filed by Thomas Wheeler, 80 Prospect Street, will not be considered.
